

teknion sabrina

teknion

Sabrina is an infinitely classic, yet modern, mesh-back task chair. Visually sculptural in frame and profile, Sabrina features an innovative back ring structure symbolizing the interconnection of comfort and design. Sabrina’s design incorporates a ring-shaped backrest for both fit and flex comfort. The inner ring provides support and backwards bending in the body’s natural position, while the outer frame gently twists to either side for extra flexing.

Finish: *Platinum*

features

01 fit & flex back  
The back structure features an inner ring that conforms to user movements, while the outer frame twists for extra flexing.

02 headrest  
The streamlined design of the back's structural ring is mirrored in the optional headrest, featuring coordinating tensile mesh and outer frame.

03 back ring accent  
The back ring features a Polished Aluminum detail accent for a refined finish and distinctive look.

04 fixed arm  
Optional fixed polished aluminum arm chair is ideal for meeting and management applications.

finishes

Very White Frame / Ebony Frame

02 phosphorous mesh  
Very White Frame / Ebony Frame

03 chainlink mesh  
Very White Frame / Ebony Frame

04 iron mesh  
Very White Frame / Ebony Frame

adjustment  
features

- Height adjustment range of 4 inches allows users to position seat for proper posture and circulation
- Seat depth adjustment range of 2 inches promotes proper contact with the chair back, helping reduce pressure behind the knees
- Synchro-tilt mechanism with tilt tension and lock
- Optional adjustable armrests pivot inward/outward 20 degrees, up/down 4 inches and forward/backward 2 inches
- Optional height-adjustable lumbar of 2 3/8 inches enhances comfort and ergonomic performance
- Forward-tilt option provides users with additional posture ranges, allowing the seat pan angle to tilt downward 3 degrees while synchronizing the back to the appropriate ergonomic position
